Cinematic streaming & entertainment

There's nothing like the dazzling, 10.6" 2K IPS display on the Tab M10 Plus Gen 3. Stream your Netflix, Disney+, and other services at up to 1080p, the maximum video resolution available for mobile devices. Plus, with TÜV Low Blue Light certification, you can enjoy long, comfortable hours of screen time—all while the quad speaker system envelops you with sound.

Study smarter—not harder

A lightweight, portable tablet like the Tab M10 Plus Gen 3 is also great for student research and projects. It works with the Lenovo Instant Memo app to make on-screen input a breeze, from hand-written notes and sketches to marking up documents to dragging and dropping text. And for maximum speed and convenience, you can add the optional Lenovo Precision Pen 2 stylus (not supplied).

Keep focused with Reading Mode

Immersive Reading Mode makes long screen sessions easier on the eyes. It enhances readability by simulating the colour matrix of the pages in a printed book, so it's more like reading on paper. Use a muted chromatic setting or switch to mono/grayscale to stay focused with less eye strain, whether you're reading an e-book, editing a long document, whatever.

Stay up to date

The Tab M10 Plus Gen 3 tablet ships with Android™ 12. You'll get all the latest Android™ 12 features and enjoy three years of security and other updates—with an even newer version, Android™ 13, expected in 2023.

Processing power & long battery life

Stream, study, and multitask for hours, even unplugged. With a choice of quality, octa-core processors, the Tab M10 Plus Gen 3 tablet has power to spare. And with a battery that can run the whole day, you can use it just about anywhere.

Make a statement—without saying a word

The Tab M10 Plus Gen 3 is bold-looking and contemporary, as stylish as it is technologically advanced. It's very thin—7.45mm / 0.29"—and starts at just 465g, thanks to an aluminum chassis that's both lightweight and durable. And with two dual-tone colour options to choose from, Storm Grey and Frost Blue, it stands apart from other tablets in its class.

Built-in kids zone

Google Kids Space*—preloaded on Lenovo tablets—helps children discover, create, and grow with a library of quality content and ideas to explore their fascinations in new and engaging ways. You can guide their experience from your own device using the Family Link app's parental controls to manage available content, set screen time limits, etc.

*Google Kids Space requires a Google Account for your child. Parental controls require the Family Link app on a supported Android, Chromebook, or iOS device. Books and video content not available in all regions. Video content subject to availability of YouTube Kids app. Books content requires the Google Play Books app. Availability of apps, books, and video content may change without notice. Google Assistant not available in Google Kids Space.

Comes with the most helpful Google apps

Into photography? Astronomy? Looking for new ways to keep up with friends? Google Play has apps for all that and more. Plus, Google Play Protect keeps your device clean and your data safe. With over 100 billion apps scanned daily—even ones you haven't installed yet—it helps protect you from misbehaving apps.

Three free months of Amazon Music Unlimited*

For a limited time, users can enjoy three months of Amazon Music Unlimited for free. Stream more than 70 million songs ad-free, with unlimited skips, and enhanced with immersive Dolby Atmos® spatial audio. Download the app to listen to thousands of stations and the top curated playlists.

*Renews automatically. New subscribers only. Limited time only. Terms apply.

Specifications may vary depending upon region / model.
