Data Protection in handy Format

The high-gloss Memory Case offers much disc space and ensures the highest data transmission rates with its USB 3.0 port. The hard drive is exceptionally suited for storing your private data and can be taken along anywhere due to its low weight. Thank to its small format the hard drive can be stowed away easily and therefore taken anywhere. The hard drive receives power through the delivered USB cable, so that no connection to an external power supply is necessary. Music, photos, videos and important documents can be saved simply at home or on the move
