# MOUSE USB LASER WRL MX MASTER3/GRAPHITE 910-005694 LOGITECH

Model: 910-005694

Manufacturer: LOGITECH

EAN: 5099206085800

Product Code: 333912

## R3,122

MX Master 3 is instant precision and infinite potential. Designed for designers and engineered for coders, it’s our most advanced Master Series mouse yet.
The electromagnetic MagSpeed wheel is our quietest scrolling yet that provides up to 90% more speed (1) and 87% more precision (2).
App-specific button customizations speed up your workflow in the apps you use most (3). 4000 DPI Darkfield sensor means you can track virtually anywhere – even glass (4). It’s faster and 5x more accurate than the basic mouse (1).
Your hand rests perfectly on the sculpted form and Flow allows you to work across multiple computers and operating systems – and transfer files, images, and folders in one fluid workflow (3).
Ready for video calls - predefined settings for Microsoft Teams and Zoom let you instantly mute and Start/Stop your video call (3)

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With MX Master 3, you can truly master what you make.

(1) Compared to regular Logitech mouse without an electromagnetic scroll wheel
(2)Compared to Logitech MX Master 2S mouse with Logitech Options installed and Smooth Scrolling enabled
(3) Requires Logitech Options software, available for download at www.logitech.com/options
(4) 4 mm minimum glass thickness

- ULTRAFAST MAGSPEED SCROLLING: Experience the remarkable speed, precision, and near-silence of magnetic scrolling with the reinvented MagSpeed Wheel which shifts between ratchet and hyper-fast modes
- HAND-SCULPTED FOR COMFORT: Perfectly crafted with an ergonomic design for the shape of your palm, so you can work for long hours with a comfortable, natural hand and wrist position
- COUNTLESS CUSTOMISABILITY OPTIONS: Customisable for virtually every app you use with predefined app-specific profiles. Change the thumb controls to optimise every action for your specific workflow
- CROSS-COMPUTER CONTROL: Work seamlessly on three computers. Transfer cursor, text and files between Windows, macOS or Linux, on PC, Mac or laptop. Professional software meets comfortable precision
- WORKS ON ANY SURFACE: Hit the right pixel every time with a best-in-class Darkfield™ 4000 DPI sensor. Track with ultimate precision – even on glass(4)
- USB-C RECHARGEABLE: The MX Master 3 stays powered for up to 70 days on a full charge(6) – and gets three hours of use from a one-minute quick charge using the included charging cable
