R2,979

Get the Alpha, BE the Alpha.

Enhance your gaming experience with cleaner, smoother sound. The HyperX™ Cloud Alpha's dual-chamber driver system separates the bass from the mids and highs, allowing them to be tuned individually for reduced distortion. Keep yourself in the zone and climb the ranks with signature HyperX comfort, perfect for prolonged gaming sessions. Get crystal-clear communication with your team and take your game to the next level with the Cloud Alpha audio advantage.

- 50mm drivers reduce distortion by separating bass frequencies from the mids and highs to provide more accurate, smoother in-game audio.
- Over-ear design with premium quality HyperX memory foam and soft leatherette.
- Aluminum frame construction for durability and stability.
