R2,873

Immerse yourself in the game.

Game loud and clear with the Xbox Wireless Headset, surround yourself with spatial sound technologies including Windows Sonic, Dolby Atmos and DTS Headphone:X. Auto-mute and voice isolation reduce background noise and allow for crystal-clear chat. The flexible, lightweight design with an adjustable headband makes for a more comfortable experience during extended play sessions while rotating earcup dials provide a quick and intuitive way to adjust volume and game/chat balance. Pair directly with Xbox Wireless radio to your console without the need for dongles, cables or a base station. Fine-tune your headset with the Xbox Accessories app for a customised audio experience. Connect to your mobile device with Bluetooth® for on-the-go music or chat.

Best-in-class audio performance

Experience high quality audio with a low-latency, 100% wireless connection to your Xbox console, without the need for a dongle or a base station. Supports spatial sound technologies including

Windows Sonic, Dolby Atmos and DTS Headphone:X for realism and audio precision that fully surrounds you.

Tailored to you

Play wirelessly across devices including Xbox Series X|S, Xbox One and Windows 10 PCs. Use the Xbox Accessories app to fine-tune the audio controls, including equaliser settings and mic monitoring level. Connect to your mobile device with Bluetooth® to listen to music or chat while on the go.

Crystal-clear chat

Voice isolation focuses the mic on your voice to reduce background noise. And when you aren't talking, the auto-mute feature automatically mutes your microphone so you keep comms channels clear, while the manual mute button gives you a privacy option when you need it.

Comfortable & Intuitive Design

Play comfortably for hours with the ultra-soft earcups, lightweight design and customisable fit. The rotating earcup dials of the new Xbox Wireless Headset provide an intuitive way to change volume and game/chat balance. Quickly adjust and get back to the game. Fully adjustable mic tucks up and out of the way when not in use.

- Game loud and clear with the Xbox Wireless Headset
- Featuring auto-mute and voice isolation for crystal-clear chat
- Intuitive design and direct pairing to your console
