R2,527

- Zone Wired is designed with generously-sized 40 mm drivers to deliver full-bodied bass, crisp higher frequencies and incredibly low distortion creating amazing sound for video call and music
- By isolating your voice from any acoustic clutter around you, the noise-cancelling dual mic technology accurately suppresses distracting sounds to deliver superbly clearer audio for calls and video meetings
- The Teflon-coated stainless steel headband features a silicone head cushion and memory-foam ear pads that provide a comfortable fit throughout the workday in a lightweight, contemporary style

- Intuitive in-line controls on the tangle-free cable that are always at your fingertips to adjust volume, mute, answer/end/reject calls, and play/pause music
- The Logi Tune Desktop mini app provides full EQ and sidetone control, quickly tests mic/speaker audio levels, and lets you set mic gain at whatever volume works best for you
- Compatible with popular calling platforms such as Microsoft® Teams, Skype for Business, Google Voice. Compatible with integrated mute controls for Zoom. Works with other applications to ensure compatibility and seamless integration
