Blazing-fast transfer speeds

The ESD380C is equipped with the USB 3.2 Gen 2x2 interface and supports UASP (USB Attached SCSI Protocol), offering dazzlingly fast transfer speeds of up to 2,000MB/s and outshining its peers with its unrivaled performance.

Elegant anti-shock design

Transcend's ESD380C comes in a military green silicone rubber case that's ruggedized and shock-absorbing. With a shock protection system that meets US military drop-test standards, you may be rest assured that data stored on the drive will be fully protected. Extra compact and portable, the palm-sized ESD380C fits perfectly in your pocket as you take it on all of your adventures.

Expand storage in a flash

The ESD380C comes in capacities up to 2TB, ensuring you have plenty of space for backups and for storing your high-resolution images, 4K videos, and other media files!

Multiple devices supported

Other than desktops and laptops, the ESD380C also supports on-the-go mobile devices and gaming consoles, providing ultra-fast transfer speeds and extra-large capacity expansion for almost any need imaginable.

Note:

1. Mobile devices must support USB OTG. Game console vendors may set out capacity requirements for external storage. Please check compatibility before purchase.
2. The ESD380C comes formatted in the exFAT file system. Certain mobile devices require FAT32. Where applicable, please format the ESD380C to FAT32 before use.

Type-A and Type-C cables included

The ESD380C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate desktops and laptops featuring the USB Type-C or Type-A port.

Cool to the touch, cool all around

Housed in an aluminum alloy for greater heat dissipation and protection, Transcend's ESD380C runs fast, but stays cool. Built-in Dynamic Thermal Throttling mechanism and enhanced heat

management technology further ensure that the ESD380C delivers superior endurance and stability.

Extreme protection, advanced security

Transcend's storage devices provide an exclusive security function. With Transcend Elite software, you can protect your entire drive and the files inside with passwords, meeting the high standard of information security.

Manage data with Transcend Elite

Transcend Elite is an advanced data management software package compatible with macOS, Windows OS, and Android. Available as both a desktop and mobile app, it is free to download from Transcend's official website and from Google Play. Transcend Elite features backup, restore, data encryption, and cloud backup functions.

Summary: Transcend ESD380C. SSD capacity: 1 TB. USB connector: USB Type-A to USB Type-C, USB version: 3.2 Gen 2 (3.1 Gen 2). Read speed: 2000 MB/s, Write speed: 2000 MB/s. Password protection.
