

Wireless Device MIKROTIK 1xLAN ports RBSXTG- 5HPACD-SA

Model: RBSXTG-5HPACD-SA

Manufacturer: MIKROTIK

EAN: 4752224004499

Product Code: 334115

R2,850

The new AC standard is here, with up to 866Mbit over the air data rate, 256-QAM modulation, and 80MHz channels. 802.11a/n/ac opens up new possibilities and speeds never possible before.

The SXT ac is a new member in our 802.11ac product lineup, currently two models are available — with regular 28 degree antenna, and the SA model with a 90 wide beam- width sector antenna. Also supports 802.11a/n mode and is compatible with all legacy RouterBOARD devices, including Nstream and Nv2 protocols. Both devices come with Gigabit Ethernet.

New products are backwards compatible- for example, you can replace your 5GHz 802.11an legacy Access Point with new 802.11ac product and your existing customers will still be able to connect to it.

Summary: Mikrotik SXT SA5 ac. 5 GHz, Ethernet LAN data rates: 10,100,1000 Mbit/s. Power over Ethernet (PoE). Product colour: White. Power consumption (max): 12 W | Vendor Homepage: <https://mikrotik.com/product/RBSXTG-5HPacD-SAr2> | 5 GHz: Yes | Ethernet LAN data rates: _____
