Transcend's ESD265C boasts a lightweight, rugged aluminum casing designed for optimal shock resistance. Weighing in at a mere 31 grams, it offers portability without compromising on durability, and the iron gray color adds a stylish touch.

Astounding Storage Capacity

Transcend's ESD265C provides up to 2TB of storage capacity, allowing you to carry large amounts of files. Whether at the office or on-the-go, you never have to stress about having access to high-resolution photos, 4K videos, and other important files ever again!

Multi-Device Support for Greater Flexibility

Transcend's ESD265C can be used with multiple devices and operating systems, including Windows, macOS, iOS, iPadOS, and Android. It provides ultra-fast transfer speeds and extra-large capacity expansion for PCs, laptops, tablets, smartphones, and even gaming consoles. The incredible versatility makes it a convenient and efficient option for those looking to expand their storage space.

Type-A and Type-C Cables Included

Transcend's ESD265C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate devices featuring the USB Type-C or USB 3.2 interface.

Extreme Protection, Advanced Security

Transcend's storage devices provide exclusive disk lock and security functions, which work on both Windows and Android systems. With Transcend Elite software, you can protect your entire drive and the files inside with passwords, meeting the high standard of information security. Additionally, our storage devices implement the robust 256-bit Advanced Encryption Standards (AES) that reliably protect data at the hardware level. This encryption process remains independent of any operating system or program, enhancing security and making it hard to decipher.

Manage Data with Transcend Elite

Transcend Elite is an advanced data management software package compatible with macOS, Windows OS, and Android. Available as both a desktop and mobile app, download free from Transcend's official website or from the Google Play Store. Transcend Elite offers features such as backup and restore, data encryption, cloud backup, and disk locking functions.

Summary: Transcend ESD265C. SSD capacity: 1 TB. USB connector: USB Type-C, USB version: 3.2
