Blazing-fast transfer speeds

The ESD380C is equipped with the USB 3.2 Gen 2x2 interface and supports UASP (USB Attached SCSI Protocol), offering dazzlingly fast transfer speeds of up to 2,000MB/s and outshining its peers with its unrivaled performance.

Elegant anti-shock design

Transcend's ESD380C comes in a military green silicone rubber case that's ruggedized and shock-absorbing. With a shock protection system that meets MIL-STD-810G US military drop-test standards, you may be rest assured that data stored on the drive will be fully protected. Extra compact and portable, the palm-sized ESD380C fits perfectly in your pocket as you take it on all of your adventures.

Expand storage in a flash

The ESD380C comes in capacities up to 4TB, ensuring you have plenty of space for backups and for storing your high-resolution images, 4K videos, and other media files!

Multiple devices supported

The ESD380C can be used with multiple devices and operating systems, including Windows, macOS, and Android. It provides ultra-fast transfer speeds and extra-large capacity expansion for PCs, laptops, tablets, smartphones, and even gaming consoles. The great compatibility makes it a convenient and efficient option for those looking to expand their storage space.

Type-A and Type-C cables included

The ESD380C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate desktops and laptops featuring the USB Type-C or Type-A port.

Cool to the touch, cool all around

Housed in an aluminum alloy for greater heat dissipation and protection, Transcend's ESD380C runs fast, but stays cool. Built-in Dynamic Thermal Throttling mechanism and enhanced heat management technology further ensure that the ESD380C delivers superior endurance and stability.

Extreme protection, advanced security

Transcend's storage devices provide an exclusive security function. With Transcend Elite software,
