Transfer in a blink of an eye

The ESD260C is equipped with the USB 3.1 Gen 2 interface with the support of UASP (USB Attached SCSI Protocol), providing transfer speeds of up to 520MB/s. You can enjoy high transfer speed that elevates your work efficiency.

Slim and sleek. Light and portable.

The ESD260C features a lightweight aluminum construction and optimum shock-resistant qualities. It only weighs 33g, making it both portable and resistant to wear and tear. The sturdy texture and silver hue complement the minimalist style of your mobile devices.

Expand storage in a flash

The ESD260C provides up to 1TB of storage capacity, allowing you to carry large amounts of work files with you. No matter whether you are in the office or in traveling, you get to store high-resolution images, 4K videos, and other media files seamlessly without delay!

Great compatibility

In addition to desktop and laptop computers, the ESD260C can also be used with many other devices, such as on-the-go mobile devices and gaming consoles, providing ultra-fast transfer speeds and extra large capacity expansion.

Type-A and Type-C cables included

The ESD260C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate desktops and laptops featuring the USB Type-C or USB 3.1 interface.

Extreme protection, advanced security

Transcend's storage devices provide an exclusive disk lock and security functions. With Transcend Elite software, you can protect your entire drive and the files inside with passwords, meeting the high standard of information security.

Manage data with Transcend Elite

Transcend Elite is an advanced data management software package compatible with macOS, Windows OS, and Android. Available as both a desktop and mobile app, it is a free download from Transcend's official website and from Google Play. Transcend Elite features backup and restore, data
