### Ody II Silent Wireless Keyboard

Thin and silent wireless keyboard for hours of working comfort

#### Smooth and silent

Noisy typing is out, silent typing is in. This wireless keyboard has silent keys for a soft keystroke so you can easily type without disturbing yourself and those around you. Ready to enjoy your most productive workdays yet?

#### Typing, elevated

We're a firm believer in productivity and comfort going hand in hand. With floating low-profile keys and an adjustable typing angle, the Ody II ensures all-day comfort so you can put in work without any of the pain.

#### Wireless wonder

No pesky cables around to get in your way – completely wireless, this keyboard gives you all the flexibility you need whilst working. With a convenient USB receiver, magnetic and storable inside the keyboard, simply plug into your laptop or PC and you're good to go.

### **The keyboard that does it all**

This keyboard is for so much more than just typing. With easily accessible media and hotkeys, you can control what you need from the push of a button. What's more, the keyboard even has a convenient on/off switch to help you preserve battery life as much as possible!
