ONIKUMA K9 Pink RGB Gaming Headphones

ONIKUMA K9 headphones are an adorable pink gadget with cat ears, which will be perfect for those who love pastels, animals, fun, listening to music or playing games! The headphones feature a cute, unique design that will highlight the wonderful personality of its wearer. However, ONIKUMA K9 is not just about looks - the headphones are equipped with excellent speakers that offer clear, great quality sound to make both wearing and using the headphones a joy!

You're in full control

The headphones from ONIKUMA K9 allow you to personalize the sound according to your preferences - you have the option to adjust the treble, bass and midrange frequencies for an even deeper immersion into the world of a game or your favorite TV series. In addition, there is a panel on the

headphones' cord that allows you to conveniently control the volume and turn the microphone on and off. Fantastic sound quality enclosed in an adorable pink case!

Personalization possibilities

ONIKUMA K9 headphones are designed to provide you with maximum wearing comfort for a long time. Equipped with breathable cushions made of eco-leather, they not only look aesthetically pleasing and are easy to clean, but also offer a pleasant skin-friendly texture. Thanks to the adjustable headband, it is possible to adjust the size of the headphones to meet the needs of users of different ages and head sizes. The microphone can be slipped into the headphone housing and pulled out again giving you the freedom to talk to others according to your needs. What's more, you can take off and put on the included cat ears whenever you want!

Not just for gaming

You'll connect the ONIKUMA K9 to most consoles, such as Playstation and Nintendo Switch. They also work with tablets and computers, so you can freely play games, watch movies and TV series, listen to music, or chat with friends! Have fun with the ONIKUMA K9!
