Oneodio Pro C wireless headphones (silver)

Fall in love with music all over again. The Oneodio Pro C headphones feature 55-millimeter drivers and deliver Hi-Fi quality sound. They support Bluetooth 5.2 connectivity and have a runtime of up to 110 hours on a single charge. You'll find a 3.5mm cable included, so you can use the equipment both wired and wirelessly. Buttons allow you to conveniently operate the headphones, and with the built-in microphone you can comfortably make calls. What's more, the foldable design makes them easy to store and transport.

Feel the power of music

The Pro C will surprise you with rich details and deep bass. The headphones are equipped with 55-millimeter drivers and will let you delight in Hi-Fi quality sound. As a result, you will feel like a participant of a music festival anywhere.

Stable connection

Say goodbye to transmission problems. The Pro C supports Bluetooth 5.2, which ensures a stable and reliable connection. Now you can focus on your entertainment without interruption!

Talk freely with others

Oneodio headphones have a built-in microphone that will accurately record your voice. You can freely make phone calls and be sure that your caller can always hear you.

Easy operation

To make operating the headphones as convenient as possible, they are equipped with multi-function buttons. Now you can easily change songs. All you have to do is press the appropriate button. Find out how easy it is!

Refined design

Thanks to the foldable design, storing and transporting the Pro C will not cause you any trouble. What's more, the headphones are made of soft and skin-friendly material for added comfort. The adjustable headband will allow you to adjust the equipment to your needs. What's more, the weight of the headphones does not exceed 260 g, so you won't feel any discomfort, even during prolonged use.

They work in 2 ways

The set comes with a 3.5mm cable with a microphone. It allows you to use the Oneodio headphones both wirelessly and wired, depending on your preferences.

Long runtime

Don't worry about the Pro C headphones discharging at the least opportune moment. The working time of the equipment reaches up to 110 hours after one full charge. You can listen to your beloved songs, watch movies and play games for a long time without interruption! You will renew the energy
