Huion H1161 graphics tablet

The Huion H1161 is an advanced graphics tablet designed for demanding creatives who want precision, convenience and complete creative freedom. Its large working area, exceptional pressure sensitivity, ergonomic battery-free stylus and wide compatibility make it ready for any challenge - whether in the home studio or office, or outdoors. With support for popular operating systems, you can sketch, design and annotate wherever you are.

Larger workspace, more creative possibilities

With a professional workspace measuring 279.4 x 174.6 mm, you'll be comfortable working on even the most complex projects. The larger active area allows for more natural, precise hand movements, which translates into even more control over every detail of your work.

The Huion H1161 tablet is more than just a desktop tool. With the ability to connect to Android devices, you can also create on the go, outdoors or in meetings - no matter where you are, you always have your studio with you.

Smoothness and precision in every pen movement

With a reading speed of more than 220 PPS and up to 8192 levels of pressure sensitivity, the tablet guarantees exceptionally smooth and natural lines. Every pen movement is reflected with the utmost accuracy, allowing you to fully express your creativity. With such precision, you can feel completely as if you were creating with a piece of paper and a traditional pencil!

Ergonomic PW100 pen

The set comes with the PW100 precision stylus, which does not require charging. With its silicone grip and durable tips, it provides long-lasting comfort and high efficiency. It is an extremely useful solution for any artist who creates on the road or in the open air. From now on, you can draw as long as you want - without limits!

Programmable buttons for greater convenience

The H1161 tablet offers 10 hard and 16 soft buttons that you can freely assign to your favorite shortcuts and functions. This is a solution that significantly speeds up your work and enhances your user experience.

Comprehensive compatibility

The Huion H1161 works with Windows, macOS, Linux and Android, as well as with popular graphics programs such as Photoshop, Illustrator, Paint Tool Sai, Sketchbook Pro and Medibang Paint Pro. No matter what system or program you use, H1161 will always adapt to your needs! It's a versatile tool ready to work in any creative environment.
