

Solidigm D3- S4620 1.92 TB 2.5 Serial ATA III TLC 3D NAND

Model: SSDSC2KG019TZ1Z

Manufacturer: SOLIDIGM

EAN: 840307303479

Product Code: 375610

R17,643

Component for: Server/workstation | Random write (4KB): 53000 IOPS | Read speed: 550 MB/s | Power consumption (max): 3.3 W | Temperature monitoring and logging: Yes | Operating vibration: 2.17 G | Mean time between failures (MTBF): 2000000 h | Operating shock: 1000 G | Memory type: TLC 3D NAND | Maximum non-operating altitude: 0.5 m | Write speed: 510 MB/s | Interface: Serial ATA III | Security algorithms: 256-bit AES | Hardware encryption: Yes | Operating temperature (T-T): 0 - 70 °C | Non-operating vibration: 3.13 G | SSD capacity: 1.92 TB | Maximum operating temperature: 70 °C | Uncorrectable Bit Error Rate (UBER): 1 per 10¹⁷ bits read | Random read (4KB): 91000 IOPS | End-to-End Data Protection: Yes | Enhanced Power Loss Data Protection technology: Yes | Endurance rating: 14 PB | Non-operating shock: 1000 G | Power consumption (idle): 1.2 W | SSD form factor: 2.5"

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
