Model: HX21

Manufacturer: IMOU

EAN: 6976391037533

Product Code: 376029

R1,302

HX21

AX3000 | Imou-Link Mesh | Imou Wi-Fi Auto Sync | Stream Accelerate

Dual-band Wi-Fi 6 up to 3Gbps

HX21 brings incredibly fast Wi-Fi with Wi-Fi 6 technology, perfect for vivid 8K/4K streaming and intense online gaming.

IMOU Link™ mesh networking

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

“Imou-link” is a simple way to form a mesh network with a single Wi-Fi name for seamless roaming whole home coverage.

- “Imou-link” Mesh
- Wi-Fi Repeater

Wi-Fi Auto-sync for Imou cameras

Nearby Imou IPC and router can be connected automatically.

Stream accelerate

Imou IPC streaming data uses a specific channel for fluent monitoring and to reduce cloud record loss, even in crowded Wi-Fi signals while the general router uses normal transmission.

- Normal transmission
- Specific transmit channel for Imou IPC streaming data

Manage your home Wi-Fi remotely

With Imou Life App, you can remotely manage your home Wi-Fi network and clients at any time.

Increased efficiency with OFDMA

The Wi-Fi 6 standard uses OFDMA for increased efficiency, allowing multi-users play 3D game, watch moving and shopping at the same time, enjoying a faster and smoother internet.
