### Full flexibility, not full storage.

Looking for storage that works across your USB Type-C™ and Type-A devices? The flexible and convenient SanDisk Phone Drive lets you seamlessly move files between your USB Type-C™ smartphone, tablet, and Mac and USB Type-A computer. Transfer files quickly with read speeds up to 100MB/s. Now you can take even more photos, and access and share them across your devices without missing a beat.

### Free up space for your favorites

Out of room on your USB Type-C™ smartphone? Simply plug in the SanDisk Phone Drive and easily move files off your device, freeing up valuable space for more. Capture more memories on the go and download more of your favorite movies, music, and games.
