

ASUS ESC8000A-E13P LGA 6096 Rack (4U) Silver, Black

Model: 90SF0404-M00ZR0

Manufacturer: ASUS

EAN: 4711636268882

Product Code: 376954

R474,867

AMD EPYC™ 9005 dual-processor 4U NVIDIA® MGX server that supports eight dual-slot NVIDIA® H200 GPUs or NVIDIA RTX PRO™ 6000 Blackwell Server Edition, up to 24 DIMM, five PCIe® 5.0 slots and eight 2.5" NVMe

Eight dual-slot GPUs in a high-density 4U compute server

Powered by AMD EPYC™ 9005 processors, ESC8000A-E13P delivers exceptional performance, featuring top-tier GPUs, faster GPU interconnects, and higher-bandwidth fabric. This powerhouse server supports up to eight dual-slot GPUs, either active or passive, and offers flexible scalability with options for NVIDIA® NVLink® Bridge or AMD Infinity Fabric™ Link. This configuration allows seamless scaling and performance enhancement, making ESC8000A-E13P an ideal choice for tackling the most Enterprise AI and HPC tasks.
