Model: GY40T26478

Manufacturer: LENOVO

EAN: 193268293847

Product Code: 377787

R2,041

The Legion K500 RGB Mechanical Gaming Keyboard is a full-sized, wired gaming keyboard that’s designed for comfort and simplicity. The minimalistic design has eight essential keys, too. The mechanical switch delivers fantastic and consistent comfort for daily gaming. The keyboard is 104-keys roll over, all keys programmable, and is well-built with a detachable palm rest.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
