

## MEMORY DRIVE FLASH USB3.2/1TB SDCZ820-1T00- G46 SANDISK

Model: SDCZ820-1T00-G46

Manufacturer: SANDISK

EAN: 619659202828

Product Code: 38198

## R4,464

### The drive that works as hard as you do.

Custom built for intense file storage and transfers, the SanDisk Extreme PRO® Flash Drive with USB-A delivers solid performance so you can set your own work pace. This over-achiever boasts rapid read speeds up to 1,000MB/s and write speeds up to 900MB/s. With USB 3.2 Gen 2 speeds, you can transfer 200x faster than standard USB 2.0 drives. For professionals on-the-go with demanding workflows, match your sleek style with a premium metal design and convenient keyring hole to clip your favorite bag or briefcase.

### Move Huge Files Fast

Up to 1,000MB/s read and 900MB/s write speeds<sup>2</sup> allow for quick transfers up to 200x faster than

standard USB 2.0 drives, giving you precious time back even when moving hefty files.

### Expand your Digital World

Quickly increase your computer's storage capacity up to 2TB and make storage worries a thing of the past. Even when loaded with massive amounts of data, you can easily move this drive between devices.

### Premium Metal Design

Designed with performance and style in mind – built with a premium metal design and a keyring hole for easy portability for the on-the-go working professional.

### Effortlessly Restore Deleted Files

Accidentally deleted important files? Help to recover them with the included RescuePRO® Deluxe data recovery software.

### Seamless Sharing

Easily back up your photos, videos, and important files to your USB Type-A computer so you can get them where they need to go — fast.

### Help Protect your Files

Your drive's password protection includes 128-bit AES encryption, because your data is valuable.
