R1,910

Our smallest, high-capacity USB-C flash drive

Plug-and-stay USB-C storage has never been so petite. The SANDISK Extreme Fit USB-C Flash Drive is a compact, high-capacity drive that seamlessly blends into your digital life. Perfectly compatible with USB-C devices, it's your go-to for effortless file storage and transfers across computers and tablets. Despite its tiny size, it packs a punch with up to 1TB of storage, making space for your photos, videos, documents, and more. Enjoy rapid file transfers thanks to USB 3.2 Gen 1 speeds of up to 400MB/s (128GB - 1TB). Plus, with the SANDISK Memory Zone app for Windows and Mac devices, managing and backing up your files is a breeze, giving you even more confidence that you're prepared for anything.

Fits snugly with your USB-C devices

Plug this tiny drive into your USB-C™ computer, tablet, or other devices for seamless expansion and easy access to essential files—designed to blend in without disrupting your setup.

Tiny drive with massive storage

With up to 1TB of storage, keep your most valuable files, cherished photos, videos, personal documents, and more accessible.

Quick and easy file transfers

No more waiting around: USB 3.2 Gen 1 performance powers your drive to reach read speeds up to 400MB/s (128GB - 1TB), so you can move your files — and then move right along.

Simplify your storage with the SANDISK app

Back up photos, free up storage, browse files, and restore data with ease with the SANDISK Memory Zone app for Windows® or Mac devices. And for extra confidence, enable automatic backup as your Plan B.
