One port to meet your needs

Connect your laptop to the monitor with a USB-C cable** for up to 15W of power delivery and display connectivity.

Dynamic Action Sync

Reducing input lag with Dynamic Action Sync, gamers can catch critical moments in real time and respond quickly.

Black Stabilizer

Black Stabilizer helps gamers detect snipers lurking in the darkest corners and swiftly navigate flash explosions.

Switch swiftly

LG Switch app helps to optimize the monitor to your work and life. You can readily divide the whole display up to 6, change the theme design, or even launch a video call platform with a mapped hotkey.

Fully use your desk

The slim stand takes up little space, allowing you to utilize your workspace efficiently.

Easy and comfy solution

Featuring a slim bezel on three sides and a sleek stand, our FHD curved monitor lets you create an ideal workspace with convenient tilt adjustment.
