R1,593

USB sticks are practical to use, it is easy and fast to transport your data such as pictures, documents, videos and music from a PC to another. This InLine® woodline USB stick expands the InLine® woodline series with products made of wood. Noble in material and top in quality is the stick is made from one piece walnut wood, the cap for the USB connector is held with a small magnet. With USB 3.0 interface and a fast chip built-in, also larger files sizes can be transmitted with a manageable amount of time.Note: Actual available capacity for data storage is less than as listed on the products due to formatting and other functions. Speed may vary due to host hardware, software and usage.
