Seamlessly stitched and finely textured for precise control.

HyperX™ FURY S Pro Gaming Mouse Pad has seamlessly stitched anti-fray edges to give you a uniform surface for a controlled glide. The densely woven fabric pad provides a surface that feels smooth to the touch but is finely textured for optical mouse tracking. HyperX FURY S features a soft cloth surface for wrist comfort and a textured natural rubber underside designed to hold fast when the action gets frenetic. FURY S comes in four sizes to fit your set up and can be rolled up for easy portability.
