R1,216

With its compact, portable form, the Lenovo 400 USB-C Compact Wireless Mouse is perfect for your on-the-go lifestyle. Its convenient wireless USB-C receiver provides stable plug-and-play connectivity, while enabling you to pair your ultrabook with up to eight devices. Thanks to its red optical sensor and up to 2400 on-the-fly DPI adjustment, precision and accuracy is guaranteed whether you are working on a small or big screen.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
