Comfortable, Reliable Wireless Freedom

Get the HyperX Cloud Stinger 2 Wireless Gaming Headset and enjoy signature Cloud comfort paired with the wireless freedom of a robust, reliable 2.4GHz wireless connection. Delivers precise sound localization and incredibly immersive audio. Just plug the adapter into an available USB port, and you’re ready for gaming, remote classes, or chatting online with friends. With signature HyperX comfort and a long-lasting battery (up to 20 hours on a single charge[2]) this wireless headset is built to keep the good times going throughout the night. When you’re ready for a break, the ear cups rotate 90 degrees, so you can rest the headset comfortably around your neck. The closed cup design and 50mm drivers pump out crisp, clear audio to keep you engaged in your intense team fights. It includes several gamer-friendly conveniences, like on-ear cup volume controls to give you direct access to headset volume and a swivel-to-mute mic to quickly silence yourself. It’s PC compatible and comes backed with a 2-year warranty and free tech support.
