Cloud Stinger Core 2 delivers great, immersive sound, comfort, and convenience; all the basic things PlayStation players want from a gaming headset. With audio controls right on the headset itself and a swivel-to-mute mic, you will not need to interrupt your game and fiddle with menus just to change the volume or mute yourself. Adjustable sliders and soft ear cushions provide comfort for long gaming sessions, and the flexible mic lets you position the microphone just where you want it. Stay focused on your game thanks to the closed cup design and directional 40mm drivers with enhanced bass.
