Model: 7G8F4AA

Manufacturer: HP INC.

EAN: 197192348024

Product Code: 407711

R1,409

Designed for growing gamers.

The HyperX Cloud Mini is a comfortable wired headset built for aspiring star gamers. Recommended for ages 8-12, it’s lightweight and appropriately sized for younger gamers, and more importantly, it’s designed to keep audio levels below 85dB[1]. It features a clear, flip-to-mute mic so younger gamers can chat with their friends online, and it can be tucked away when not in use[3]. The earcups can be rotated when it’s time to take a break, and they’re also great for easy transport or storage. Cloud Mini can easily connect to any device that has a 3.5mm connection, so whether your young gamer is playing on mobile, Chromebook, Nintendo Switch, PlayStation, PC, Steam Deck, or elsewhere, this versatile headset will be ready for it[2].
