Perfect for multi-display setups

Whether you're playing games, watching a movie, or getting some work done, the frameless design creates the virtually seamless multi-display setup, giving users a panoramic display for even higher productivity.

Versatile Comfort with Ergonomic Stand Design

With an ergonomically-designed stand with tilt, swivel, pivot, and height adjustments, the BE24WQLB provides a comfortable viewing and usage experience. The ability to pivot the screen clockwise or counterclockwise 90 degrees for use in portrait mode comes in handy when working with long documents, coding or website browsing.
Furthermore, the BE24WQLB features a quick release stand to provide an easier way for frequent VESA wall mount scenario setup. Screw-free and it’s done in seconds.

Extensive Connectivity

BE24WQLB business monitor features a host of connectivity options that include DisplayPort, HDMI, VGA, Audio in, Earphone jack and four USB 3.0 ports.

Bundled with the MiniPC kit

ASUS BE24WQLB monitor is bundled with the MiniPC kit for those who need to mount mini PCs on the monitor stand, to make the desktop clutter-free and space saving.

Great Viewing Comfort with Eye Care Technology and Ergonomic Design for Everyday Computing

Say goodbye to tired, strained eyes. BE24WQLB features ASUS Flicker-free and Low Blue Light technologies to reduce instances of eyestrain and other damaging effects when spending long, countless hours in front of a display.

Ultra-low Blue Light Monitor

The TÜV Rheinland-certified ASUS Blue Light Filter protects you from harmful blue light, and you can easily access its four different filter settings via a hotkey.

Flicker-free Technology

ASUS Flicker-Free technology reduces flicker for a comfortable viewing experience. This technology helps minimize instances of eyestrain and other damaging ailments, especially when you spend long, countless hours in front of a display processing documents, surfing web pages or watching videos.

User-friendly Design

- Convenient key controls for functional set-up in the multi-language OSD
- Built-in 2W stereo speakers for multimedia usage
- KENSINGTON Security Lock
