All the Essentials for Pros

ProArt Display PA278CFRV is a 27-inch AGLR QHD monitor designed to satisfy the needs of creative professionals, from photo and video editing to graphic design. This Calman Verified display boasts a wide color gamut with 95% DCI-P3 coverage and is factory pre-calibrated to Delta E 2 for exceptional color accuracy. 100 Hz variable refresh rate (VRR) for smooth rendering. For added convenience, the built-in USB-C® port offers DisplayPort™ support, superfast data transfers, and 96-watt power delivery via a single cable.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Exquisite Design

Compared to its predecessor, ProArt Display PA278CFRV has a space-saving base that's 33% smaller, as well as a 30% slimmer profile. Like its contemporaries in the ProArt Display family, PA278CFRV feels right at home in a studio or in any living space, with an understated elegance that is a nod to exquisite craftsmanship and uncompromising attention to detail.
