ASUS ZenScreen Touch MB16AHT Portable Monitor

Productivity at the tip of your fingers

ASUS ZenScreen Touch MB16AHT is a 15.6-inch IPS FHD portable monitor with responsive and intuitive 10-point touch functionality* that allows users to swipe, scroll, drag and pinch gestures to help you get tasks done more efficiently. Dual USB-C™ and mini-HDMI connectivity enables displaying content from a wide-range of devices, so you can enjoy an expansive view for the best work and entertainment experiences, wherever you go.

*10-point touch functionality depends on operating system.

Tap into productivity

With its interactive 10-point touchscreen, ZenScreen Touch offers highly-accurate, responsive and seamless touch experiences*, enabling you to edit documents, draw on slides or play games with your fingertips. It is Windows 11 compatible, allowing you to work smarter and more efficiently.

* Availability of 10-point touchscreen functionality depends on operating system.

Designed for comfortable viewing

A fold-out kickstand props ZenScreen Touch MB16AHT up on any flat surface and offers easy tilt adjustments to ensure comfortable viewing angles and working positions. In addition, a ¼ -inch threaded tripod socket at the rear lets you attach the monitor to a standard tripod* or table mount.

*Tripod stand not included.

Automatic screen orientation

When connected to a Windows PC, the ASUS DisplayWidget Lite tool* enables ZenScreen to sense its orientation and automatically switches the display between landscape and portrait modes. Landscape mode is ideal for presentations and spreadsheets, while portrait style provides the perfect long view for documents, books or websites.

*Software required. Auto-rotate function works only with the Windows operating system.

Rich connectivity

ZenScreen Touch MB16AHT includes a mini HDMI port and two USB-C* ports to allow audio-video signals, power input and data(for touch function) transmission.

*Make sure your device supports display/power delivery.

ASUS Ultra-Low Blue Light technology

The TÜV Rheinland-certified ASUS Blue Light Filter protects you from harmful blue light. It's easy to access, intuitive and flexible with seamless adjustment (0 to Maximum) via the OSD menu. ASUS

displays has undergone stringent performance tests and has been certified by TÜV Rheinland
