Connect your computer to create a multi-monitor setup for extra screen real estate and a decluttered workspace by daisy-chaining. Utilize pivot rotation to customize views on multiple displays.

Premium Audio Quality for Smooth Communication

GW2786TC provides premium audio quality. Jump into meetings with clear vocals transmitted through a Noise Cancellation Microphone and built-in speakers.

Noise Cancellation Microphone Separating Signal from Noise

With the integrated Noise Cancellation Microphone, ambient sound is filtered in your environment while bringing out important vocal cues.

Adjust for Better Efficiency

The monitor has tilt, pivot, swivel, and height adjustment to offer easy customization for flexibility in an ideal comfortable user environment, ensuring productivity throughout the day.

Seamless Viewing: 100Hz Smooth Motion

100Hz refresh rate reacts more quickly to changes, resulting in a clearer and smoother user experience with eye comfort for webpage reading, video streaming, gaming, etc.

Lasting Well-Being on Your Eyes

BenQ Eye-Care technologies safeguard your eye health with multiple features, ensuring that you see every image with clarity and comfortability.

Brightness Intelligence Technology

The Brightness Intelligence Technology (B.I.Tech.) detects content intensity to avoid overexposure of bright scenes while enhancing dark areas to maintain clear visibility. With a higher degree of

adjustability and customizable screen brightness, the ideal display performance protects your vision with superb imagery quality tailored to your preferences.

TÜV Rheinland Certified

Global safety authority, TÜV Rheinland, certified the GW2786TC's Flicker-Free and Low Blue Light Technology as truly friendly and safe for your eyes. Eyesafe 2.0 certification ensures that the display reduces blue light while maintaining vivid colors.

Eye-CareU

Leave it to the compatible software of Eye-CareU on the GW2786TC to set timers, light reminders, and distance reminders to correct your posture as you focus on what you do best. The pop-up works as an assistant, allowing for quick navigation and settings via its quick on-screen control.
