This incredibly slim and well balanced stylus has a seamlessly designed integrated pocket clip that is both sleek and functional; the Targus Stylus can go wherever you go, ready to be the extension of your hand and your creative partner as you sketch, write, and create on your device with greater freedom. Unlock greater functionality with your tablet or smartphone as you create hand-written notes, have greater freedom to draw, find improved accuracy when you edit photos, and easily sketch your ideas as you use the all new Targus Stylus in your own way.

Targus Antimicrobial Protection is an infused protective finish to the material that creates a cleaner surface and protects the stylus. Unlike topically applied sprays, Antimicrobial Protection is infused into the material and works continuously to prevent the growth of microorganisms.
