Model: ATHAN02B

Manufacturer: CONCEPTRONIC

EAN: 4015867226407

Product Code: 410938

R1,731

These over-ear, noise-reducing headphones produce a surround-sound 7.1 effect that is the equivalent of a typical 8-channel speaker setup. They are designed for long-term comfort and all-day wear, with an adjustable headband and soft-cushioned, over-ear cups. The design reduces background noise for a fully-immersed experience and also enhances bass, while a top quality 50mm speaker punches out true, high-fidelity sound with great audio detail. RGB LED lights create a ‘breathing’ effect, pulsating in time to the music or audio being played. The headphones work across multiple platforms, making them an excellent option for PC use, gaming, or simply listening to music.
