Experience smooth and accurate tracking with the Ultraportable Antimicrobial Mouse Mat. With it's low-friction surface area and anti-slip base, the mouse pad will help to ensure precise mouse control. Durable, portable, and infused with antimicrobial protection to help create a cleaner surface, the mouse mat is made to complement any desk set-up. Thin and lightweight, this Ultraportable Antimicrobial Mouse Mat can easily go anywhere you do.

This mouse pad features Targus DefenseGuard™ Antimicrobial Protection*, which creates a cleaner surface and works continuously to protect the mouse mat by preventing the growth of micro-organisms. Unlike topically applied sprays, Targus DefenseGuard products are treated with an antimicrobial additive that does not wear off and lasts for the life of the product.
