The Ultimate Gaming Mouse

Experience unmatched precision and control with the Revenger Pro 4K. Designed for gamers who demand the best, this mouse combines a lightweight design with cutting-edge technology to elevate your gameplay.

55g Ultra-Lightweight

Designed for maximum comfort, the Revenger Pro 4K weighs just 55g, ensuring swift, precise movements without fatigue. Featuring a sleek and minimalist design instead of a honeycomb pattern, the mouse prevents dust buildup for an easy cleaning experience.

Top-Tier Accuracy: 26000 DPI Optical Sensor and Nordic MCU

Equipped with the latest Pixart 3395 26,000 DPI optical sensor and top-notch Nordic MCU, the Revenger Pro 4K offers pinpoint accuracy for every action.

Ultra-Responsive Gaming with 4K Wireless Dongle

Equipped with the latest 4K wireless dongle, the Revenger Pro 4K features a 4KHz polling rate that ensures faster and more precise responses. Perfect for high-refresh-rate monitors, it significantly reduces latency between the mouse and the display, enabling quicker enemy targeting and faster victories.

2.4GHz Wireless Connection with 1K Dongle

Paired with Pixart’s top-of-the-line low-power sensor and the latest generation dongle, you will experience reliable, seamless and interference-free connectivity with a stable 1 ms report rate.

Wired Connection

The included a paracord cable supports wired connections, ensuring that you will not experience interruptions due to mouse disconnection and always maintain optimal connectivity.

4K & 1K Dual Wireless Dongles

Includes both 4K and 1K wireless dongles, allowing you to easily switch connections based on your needs. The 1K dongle is ideal for reliable connectivity on the go, while the 4K dongle offers high-performance gaming at home with enhanced stability and speed.

Up to 150 Hours Playtime

With up to 150 hours of uninterrupted playtime, you can game longer without worrying about battery life.

(Up to 150 hours: 1000 Hz polling rate; Up to 45 hours: 4000 Hz polling rate)

OMRON 70M Optical Switch

Built to withstand the rigors of gaming, our optical switches last up to 70 million clicks, ensuring rapid response times and extended durability. The refined actuation mechanism provides a faster, more responsive, more consistent switch return with a light, crisp press without stickiness.

Versatile Grip Comfort

Embrace the freedom to game or work your way with the Revenger Pro 4K, designed to accommodate all your preferred grip styles.

Victory is in Your Grasp

The Revenger 4K Pro features a specialized matte finish that provides a comfortable, non-slip grip that still feels smooth to the touch, enabling superior handling and pinpoint control.

100% Virgin-grade PTFE Skates

Featuring 100% Virgin-grade PTFE skates, the Revenger Pro 4K provides a smooth, effortless glide with low friction, making the mouse more responsive and agile during gaming.

COUGAR UIX: Customize Your Game

Personalize your gaming experience with COUGAR UIX, a comprehensive software suite for customizing settings, macros, DPI and more to fit your style.

All You Need

Each package includes a 4K USB dongle, a 1K USB dongle, a paracord cable, replaceable PTFE feet, grip tape, and a convenient carry bag, ensuring you have all the tools needed for optimal performance.
