RGB Mouse Bungee with USB Hub

COUGAR BUNKER RGB unites the BUNKER series' superior design with a highly attractive RGB lighting and a convenient two-port USB hub to become a highly useful addition to any gamer's desk.

RGB Lighting

BUNKER RGB can display fourteen fantastic lighting effects that can be selected merely by pressing a button.

Convenient USB Hub

Ideal for charging or synchronizing electronic devices, connecting extra peripherals or storing data on portable USB drives, BUNKER RGB's on board two-port USB hub is extremely convenient.

Flexible Cable Mount Design

BUNKER RGB's flexible arm provides gamers with increased freedom of movements and extra smoothness in their control of the mouse, and guarantees that the mouse cord doesn't get in the

mouse's way or become entangled. To ensure compatibility with the vast majority of mice on the market, BUNKER RGB features a flexible cord groove that will adapt to virtually any mouse cord size.

Superior Stability: Vacuum Suction Pad

BUNKER RGB's patented design features a unique colloid suction pad that provides heretofore unsurpassed levels of steadiness even on slightly uneven surfaces. This technology will allow the gamer to play at ease: BUNKER RGB will stay in its place even in the most intense gaming sessions.

Ultra-Light Compact Design

At only 105 grams, and with a compact design BUNKER RGB allows the user to bring it anywhere, be it a LAN party or a friend's home.
