ATEN 2-Port USB 4K HDMI Cable KVM Switch with Remote Port Selector

Model: CS22H-AT

Manufacturer: ATEN

EAN: 4710469340468

Product Code: 412469

R2,578

Switching between two computers can be as easy as the push of a button. Refresh your workspace with the CS22H by setting up a desktop console with one set of keyboard/mouse/display for control over two computers via USB and HDMI connections, and you’re all set. The compact CS22H helps create an organized desktop with reduced cable clutter, and brings in vivid 4K viewing quality to lift up work performance.

Superior AV Performance in Vivid 4K

The CS22H empowers your desktop operations with audiovisual enhancement with 4K DCI compliance and audio connectivity.

Space Efficient Desktop Setup

The compact and easy-hook design is helpful to expanding desktop workspace in an orderly fashion for improved work productivity.

Smooth Cross-Platform Integration

The CS22H enables the integration of different computer systems (Windows, Mac and Linux) that are accessible over one KVM console.

Flexible USB Peripheral Sharing

The console USB ports can be used for plug-n-play connection to compatible USB 2.0 peripheral devices to fulfill data-intensive desktop work requirement.

Plug in. Power on

The CS22H supports USB hot-plugging and is bus-powered by the connected KVM sources via USB ports.
