A traditional desktop PC is condensed into a small form factor of about 178 mm squared and is easily mountable behind any VESA-compatible display1. For a more clutter-free and cable-tidy setup, Acer’s patented rotatable VESA mount kit2 is recommended.

Triple Display Support

Maximize screen real estate with support for up to 3 independent displays through the back panel HDMI, DisplayPort, and USB Type-C, which can support up to 8K resolution3. Plus, Acer Revo Box can be powered on remotely4 for added convenience!

Small But Mighty

With 13th Gen Intel® Core™ Processors,2 Intel® Iris® Xe Graphics,2 and dual channel DDR4,2 power through any task from work to school to entertainment with seamless performance.

Extended Range

Stay connected wherever you go with Wi-Fi 6E2 and Bluetooth 5.0 compatibility, and with Acer Revo Box’s external dipole Wi-Fi antenna, enjoy improved Wi-Fi signal strength for better connectivity.

Super Snappy

Acer Revo Box features easy-to-install screwless dual M.2 PCIe SSD slots with up to 1TB storage2 and up to 128GB UFS 3.1 onboard storage2, ensuring lightning-fast loading times and data transfers.

Versatile Ports

Boasting a wide array of ports—including USB 3.2 Gen 2 Type-C, HDMI, and DisplayPort 1.2—Acer Revo Box can be utilized for an impressive range of uses and is ready to take on whatever task you do.
