

D-Link 5G Wi-Fi 6 Mobile Hotspot AX1800

Model: DWR-2101

Manufacturer: D-LINK

EAN: 790069454332

Product Code: 413298

R12,262

Meet the DWR-2101, one of the world's first 5G & Wi-Fi 6 harnessing mobile hotspots.

Experience next-generation 5G speeds and the unstoppable performance of Wi-Fi 6 with increased download speeds, drastically lower latency and reduced congestion on all your devices, wherever and whenever you wish. Never go anywhere without your Wi-Fi again.

The Future of Smart Home Connectivity

Bring revolutionary 5G speeds into your home and unleash the full power of Wi-Fi 6 on all your connected devices.

Welcome Home, 5G

Connect to a 5G network outside your home and distribute powerful Wi-Fi 6 inside your home. With 5G connectivity up to 1.6Gbps and a built-in Wi-Fi 6 hotspot offering combined speeds up to 1.8Gbps

(574 + 1200Mbps) experience vastly increased download speeds, drastically lower latency, and massively reduced congestion throughout your home network.

Home Entertainment Like Never Before

With Wi-Fi 6, built for device-dense data-intensive environments, the DWR-2101 is powerful enough to support smooth 4K video streaming, low-latency VR gaming, cloud storage, multiple IoT devices, cell phones, tablets, and more — all at the same time. The perfect smart home entertainment hub!

The Future of Office Connectivity

Give your team, and your office network, the boost they deserve with next-generation 5G connectivity and Wi-Fi 6 technology for all.

Mobilize Your Office Network

Don't let your Wi-Fi hold you and your business back. Boost your office productivity with ultra-high-speed Wi-Fi, low latency, and increased network efficiency. Prepare your team for success with the network mobility they need for doing next-generation business, today.

Grows with You

With support for up to 32 devices, a built-in Gigabit port, and the latest WPA3 security — you and your team can focus on growing your business, safe in the knowledge that your network is secure, encrypted and easily scalable. Ready to grow when you are.

The Future of 5G & Wi-Fi 6 On-The-Go

Don't go anywhere without your Wi-Fi again, take your 5G Wi-Fi 6 mobile hotspot with you and stay connected wherever you go.

Take Your Network With You

Never go anywhere without your 5G Wi-Fi 6 again. Designed to go where you go, and ready to work where you work, the DWR-2101 is perfect for anything from streaming movies at a friend's place, to conference calls while working on-the-go.

Stay Connected All Day

If you're heading away for work, maybe off on a family adventure or doing some solo traveling, the DWR-2101's all-day battery keeps you connected for longer while on the go. Removable and rechargeable, its battery can last for extended periods of time without a single charge.⁶ Perfect for an all-day excursion or long-distance business trip.
