D-Link Mobile Wi-Fi 4G Hotspot 150 Mbps

Model: DWR-932

Manufacturer: D-LINK

EAN: 790069405983

Product Code: 413299

R1,531

Find Your Hotspot

The DWR-932 4G LTE Mobile Wi-Fi Hotspot 150 Mbps is a 4G/LTE Cat4 high speed broadband Wi-Fi mobile hotspot. The DWR-932 uses a 4G Internet connection to give you a simple and fast Wi-Fi network anywhere you need.

Multiple Use

Instead of limiting your mobile Internet connection to a single device through a USB dongle, the DWR-932 allows you to create a Wi-Fi hotspot to share your Internet connection with multiple devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Share With Others

The portable size and battery powered enabled you to share your connection anywhere. Share a single mobile Internet connection with your friends or colleagues to send and receive e-mail, surf the Internet or make VoIP calls, on multiple devices, all at the same time.

Product Highlights

ConnectConnect your high-speed mobile broadband connection to multiple Wi-Fi devices such as smartphones, tablets and notebook computers
ProtectA built-in firewall protects against attacks over the Internet, and industry-standard WPA/WPA2 security prevents unauthorised access to your network
SizeSmall enough to fit in your pocket with high-capacity rechargeable battery, lets you work and play for longer on the go.

Connect Anywhere

Simply insert your data-enabled SIM card and share you Internet to let your family and friends stay connected. Ideal for business trips to share an Internet connection during a meeting or while travelling, allowing you to provide all your travel companions Internet access whether, they’re using a laptop or a mobile device.

Flexible Usage

The DWR-932 4G LTE Mobile Wi-Fi Hotspot 150 Mbps gives you instant connectivity in a powerful yet portable device that fits easily into your pocket, wherever you go. Wi-Fi Protected Setup (WPS) lets you create a secure Wi-Fi network with just the touch of a button. The rechargeable 2020 mAh Li-on battery allows you to stay connected for longer periods of time and it’s plug-and-play with no complicated software to install. Getting online with the DWR-932 Mobile Wi-Fi Hotspot 150 Mbps is quick, easy and convenient.
