NETGEAR AX1600 Wi-Fi signal booster

Model: EAX12-100PES

Manufacturer: NETGEAR

EAN: 606449154139

Product Code: 413475

R2,578

This powerful WiFi 6 Mesh Extender easily creates a mesh WiFi 6 system with your existing router. WiFi 6 delivers great capacity, fast speed, and more coverage. Experience seamless WiFi coverage on more devices throughout your home with speeds up to 1.6Gbps.

WiFi 6: The Fastest WiFi Ever

With WiFi 6, you get the fastest speeds available, and up to 4X more device capacity than WiFi 5. Stream in ultra HD 4K/8K, video call, and more without getting interrupted or slowed down, even as you connect more devices to your network. It’s like upgrading your WiFi to first class.

Easily Create a Mesh WiFi 6 System with your Existing Router

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Expand coverage of your Existing Router using your current WiFi name and password. The wall-plug design has two powerful internal antennas that extend WiFi signals to where your router WiFi cannot reach. This AX1600 Mesh Extender is backward compatible with previous WiFi generations (11b/g/n/a/ac) and will work with all your existing internet-connected devices.

Easy Setup and Use with the Nighthawk App

With the Nighthawk app, setup takes just minutes, so you can start enjoying better WiFi sooner. You can also see your connected devices, run an internet speed test, manage your NETGEAR service subscriptions, and more from the palm of your hand.

Ultra-Fast WiFi Speeds

Experience powerful WiFi with speeds up to 1.6Gbps for streaming videos, faster downloads, and online gaming

Better Range

Increased coverage with strong WiFi signals reaching every corner of your smart home

Gigabit Ethernet Port

Fastest wired speeds to connect wired devices

One WiFi Name and Smart Roaming

Experience seamless mesh WiFi throughout the home for all your devices

4 Streams of WiFi

Enjoy 4K/8K UHD streaming, lag-free gaming, and smooth streaming with 4 Streams of WiFi 6

Superior Performance

Up to 1.5X better performance than a Wi-Fi 5 (802.11ac) extender
