EnGenius Unmanaged Switch 5-port GbE

Model: ES105

Manufacturer: ENGENIUS

EAN: 4711488350247

Product Code: 413649

R757

EnGenius ES105 is a 5-port Gigabit Switch, perfect for SMBs seeking to expand port density. It offers plug-and-play simplicity, requiring no configuration for easy installation. This switch features a rugged, fanless design for silent operation and Energy Efficient Ethernet (IEEE 802.3az) to dynamically adjust power based on network traffic, ensuring efficient and seamless performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
