display solution for marketing purposes in various settings, including meeting rooms, airports, retail outlets, and shopping malls.

High-Performance with webOS

LG webOS platform enhances user convenience with intuitive GUI and simple app development tools.

Conformal Coating

In various places the 75UH5J-M series is unable to avoid exposure to environments containing dust, humidity, etc. which may hamper performance over time. The conformal coating on power board reduces these risks by protecting 75UH5J-M series from salt, dust, iron powder, humidity, etc.

IP5x Certified Design

The IP5x Dust-Proof Certification ensures that the product is protected from dust, reducing the risk of performance degradation.

Compatible with AV Control System

The 75UH5J-M series has supported Crestron Connected® for high compatibility with professional AV controls to achieve seamless integration and automated control*, boosting business management efficiency.
