The Acer Nitro V 16 empowers your daily life with swift and reliable performance, perfect for diving into games or swiftly tackling tasks. It's not just about what you do; it's about doing it better, faster, and with more enjoyment.

Bringing Premium Mainstream with AI-Built In.

AMD's new lineup of AMD Ryzen™ 8040 Series processors is designed to help you discover delightful new premium experiences with trusted performance and the innovative technology of Ryzen™ AI built right in. Harness the power of advanced computing for work, play, and AI-enabled experiences.

NVIDIA® GeForce RTX™ 40 Series Laptop GPUs

GeForce RTX™ 40 Series Laptop GPUs power the world's fastest laptops for gamers and creators. Built with the ultra-efficient Ada Lovelace architecture, RTX 40 Series laptops feature specialized AI Tensor Cores, enabling new AI experiences that aren't possible with an average laptop. Enjoy a quantum leap in performance with DLSS 3.5 and lifelike virtual worlds with full ray tracing. Plus, AI-powered Max-Q technologies optimize system performance, power, battery life, and acoustics for peak efficiency.

AI-Powered Performance and Lifelike Graphics

Powered by the new fourth-gen Tensor Cores and Optical Flow Accelerator on GeForce RTX 40 Series GPUs, DLSS 3.5 uses AI to create additional high-quality frames.

Realistic Lighting with Ray Tracing

The Ada architecture unleashes the full glory of ray tracing, which simulates how light behaves in the real world. With the power of RTX 40 Series Laptops and third-gen RT Cores, you can experience incredibly detailed virtual worlds like never before.

Optimized Power and Performance

A suite of AI-powered technologies which optimize every aspect of a laptop—the GPU, CPU, memory, thermals, software, display, and more—to deliver powerful devices that are thin and quiet.

RTX for AI

Discover the RTX AI advantage. From enhanced creativity and ultra-efficient productivity to blisteringly fast gaming, the ultimate in AI power on Windows PCs is on NVIDIA RTX™ and GeForce RTX™.

AI for Gaming

Level up your gaming experience with RTX. An AI-powered boost gives you maximum performance in over 300 games and apps thanks to DLSS 3.5.

AI for Creating

Supercharge your content creation with over 100 AI-enabled and RTX accelerated creative apps—including the Adobe Creative Cloud suite, Blender, Blackmagic Davinci Resolve, OBS Studio, and more. Transform your workflows with the NVIDIA Studio suite of AI tools, and fast-track your creativity with next-gen tech including DLSS and OptiX.

AI for Productivity

Streamline your everyday with RTX acceleration. Use AI to draft documents and emails, summarize content, and more. Enjoy crystal-clear streamed video on popular platforms like YouTube and Netflix, automatically scaled up to 4K resolution with RTX Video Super Resolution. And harness the power of NVIDIA Broadcast for AI-enhanced voice and video features in video conferences.

Visual Extravaganza

Immerse yourself in a 16-inch expanse that comes alive with up to a 165Hz1/3ms (GTG) WQXGA1 display at a vibrant 5001 nits. Vivid sRGB 100% color gamut meets NVIDIA® G-SYNC® prowess, delivering a visual feast that keeps every frame perfect, every color pristine, and every movement tear-free.

AI-Assisted Noise Reduction

Elevate your team coordination with Purified Voice 2.0. This cutting-edge feature harnesses the power of AI to filter out ambient noises, ensuring pristine voice clarity. Combined with the three-microphone design and beamforming, your voice takes center stage, isolating from other background sounds.

Effortless Device Management with NitroSense

NitroSense on the Nitro V 16 allows you to easily control and monitor your laptop's performance. Adjust fan speeds, check system health, and optimize for gaming or other tasks with just a few clicks, always maintaining peak performance and a cool system.

Discover Your Next Favorite Game

Play over 100 high-quality games with friends on your PC, console, phone or tablet for one low monthly price.² With games added all the time, there's always something new to play.
