Powered by Next-Gen Performance

Featuring the next-gen Intel® Core™ Ultra 9 Processor¹, with built-in Intel® Arc™ graphics¹, Swift Go 14 AI PC now boasts an up to 47% performance boost² with improved power efficiency. Empowering you to effortlessly breeze through the most demanding of tasks.

Advanced Graphics with Intel® Arc™

Immerse yourself in vibrant visuals with Intel® Arc graphics¹ featuring XeSS AI-enhanced upscaling and Xe media engine for smoother framerates and media playback.

The Ultimate Premium PC Experience

Intel® Evo™ Edition laptops are designed to give you superior performance, responsiveness, and battery life for the ultimate premium PC experience.⁴

Seamless Interaction Across Multiple Devices

Intel® Unison™ brings all your devices together to create one integrated experience—with new features like Swift Connect, extended screen, universal control, and much more.

AI Ready for Tomorrow

Ready for the ever-evolving possibilities of AI, the Swift Go 14 AI PC integrates Intel's new dedicated AI engine—Intel® AI Boost—with Acer's own AI solutions, for more intuitive and enjoyable AI experiences.

Copilot in Windows

Do more, quicker than ever across multiple applications with the centralized generative AI assistance of Copilot in Windows 11⁵. Accessible at the touch of a button with the Copilot Key.

Acer PurifiedView™

Powered by Intel® AI Boost—experience automatic framing, advanced background blur, and gaze correction for AI-enhanced video calls, while Acer TNR steps in for sharper images in low light.

Acer PurifiedVoice™ 2.0

Utilizing AI algorithms and a 3rd mic to identify and suppress unwanted background noise, Acer PurifiedVoice™ 2.0 delivers distraction-free audio for more engaging communication experiences.

Indulge Your Eyes

Get the Swift Go 14 in 16:10 ultra-smooth 90Hz OLED1—offering vivid color accuracy, remarkably deep blacks, and ultra-crisp image quality—or choose the intuitive touchscreen6 for effortless tapping and swiping.

The Connectivity

Boasting 2 USB Type C (Thunderbolt 4 / USB 4) ports, HDMI 2.1, Wi-Fi 77, Bluetooth LE Audio, and a MicroSD slot, the Swift Go has all the essential connections to keep your productivity powered on!

Style Meets Substance

The expertly crafted Swift Go 14 smoothly opens with one hand while its thin and light aluminum body easily slips into your bag—and with a fully extendable 180° hinge, privacy shutter and a 44% larger8 multi-control touchpad1, it's perfectly tailored for your on-the-go lifestyle.

Enhance Your AI PC Experience

Swift Go 14 is loaded with an array of perks to enhance your user experience. Enjoy video calling on the 1440p QHD webcam, quick charge at up to 100W on the USB-C port, and customize your PC experience even further with the AcerSense™ app.
