Say hi to the Swift Go 14 AMD—your AI PC featuring AMD Ryzen™ 8040 Series Processors¹ equipped with Ryzen™ AI1 and the visual brilliance of up to 2.8K1 OLED—all in an eye-catching, thin-and-light body that's great on the go!

Premium Performance on the Go

With the unparalleled performance of AMD Ryzen™ 8040 Series processors¹ and built-in AMD Radeon™ 700M Series Graphics, Swift Go 14 AI PC delivers premium experiences and optimized power performance—so you can effortlessly breeze through the most demanding of tasks.

Today's AI PC, Ready for Tomorrow

Unlock the power of AMD Ryzen™ AI1 in the Swift Go 14 AI PC, which delivers up to 60% improved AI performance². Teamed up with Acer's own AI solutions, this provides an immersive and enjoyable AI experience that's ready for the ever-evolving possibilities of AI technology.

Copilot in Windows

Do more, quicker than ever across multiple applications with the centralized generative AI assistance of Copilot in Windows 11³. Accessible at the touch of a button with the Copilot Key.

Acer PurifiedView™

Powered by AMD Ryzen™ AI—experience automatic framing, advanced background blur, and gaze correction for AI-enhanced video calls, while Acer TNR steps in for sharper images in low light.

Acer PurifiedVoice™

Employing sophisticated AI algorithms to identify and suppress unwanted background noise, Acer PurifiedVoice™ delivers distraction-free audio for more engaging communication experiences.

Indulge Your Eyes

Get the Swift Go 14 in 16:10 ultra-smooth 90Hz OLED¹—offering vivid color accuracy, remarkably deep blacks, and ultra-crisp image quality—or choose the intuitive touchscreen⁴ for effortless tapping and swiping.

The Connectivity

Boasting 2 USB Type C (USB 4) ports, HDMI 2.1, Wi-Fi 6E⁵, Bluetooth 5.3, and a MicroSD slot, the Swift Go 14 has all the essential connections to keep your productivity powered on!

Style Meets Substance

The expertly crafted Swift Go 14 smoothly opens with one hand while its thin and light aluminum body easily slips into your bag—and with a fully extendable 180° hinge, privacy shutter and a 44% larger⁶ OceanGlass™ touchpad, it's perfectly tailored for your on-the-go lifestyle.

Enhance Your AI PC Experience

Swift Go 14 is loaded with an array of perks to enhance your user experience. Enjoy video calling on the 1440p QHD webcam, quick charge at up to 100W, and customize your PC experience even further with the AcerSense™ app.

Work Safer with Microsoft Pluton

The Microsoft Pluton security chip helps keep your personal data protected at the hardware level, while the Windows Hello fingerprint reader allows for secure biometric access to your PC.
