The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Enjoy sound while staying tuned to your surroundings

Their open-type design that doesn't block your ears allows you to enjoy listening to music or Podcast while still being aware of the surrounding sounds.

Pivot motion hook for best fit and optimal listening position

The pivot motion design ensures a safe and secure fit with the best listening position, an ideal choice for sports and other active scenes.

Crisp sound supported by intense sound pressure

A 16 mm neodymium magnet and JVC’s expertise in open earbuds deliver sufficient sound pressure for stress-free music enjoyment.
3 sound modes (Normal, High, Bass) for boosted bass and outdoor listening comfort and peace of mind with minimal sound leakage.

26 hours of long battery life and splashproof rated IPX4

Enjoy listening anywhere at any time with up to 26 hours of extended playtime and IPX4 splash resistance.

Convenient and worry-free listening experience

Stable wireless connection with Bluetooth ver. 5.4, Auto on/off and connect, Microphone for hands-free calls, Voice assistant activation function
