

Targus HS2100GL mouse Home Bluetooth

Model: HS2100GL

Manufacturer: TARGUS

EAN: 1220000630185

Product Code: 461530

R1,345

All the functionality you need in a sleek, portable design. The HyperSpace® Bluetooth® Mouse is built to keep you productive wherever you work. Effortlessly pair with up to three devices using Bluetooth 5.0, and switch between them seamlessly. Its contoured mid-size design ensures comfort that lasts for hours, whether you're working at your desk or on-the-go. Precision is at your fingertips with adjustable DPI settings, letting you fine-tune everything from detailed work to everyday navigation. Universal compatibility across all major operating systems ensures smooth functionality no matter what device you're using. With its thoughtful design using 85% recycled plastics, the HyperSpace Mouse offers a sustainable choice without compromising on performance.

Seamless Connectivity, Anytime

Effortlessly pair with up to three devices and switch between them using Bluetooth 5.0 , providing uninterrupted productivity while freeing up valuable USB ports. Perfect for those who juggle tasks across multiple devices.

Compact Comfort That Lasts All Day

Work comfortably wherever you are, whether at home, in the office, or on the go. Featuring a contoured mid-size design, providing an ergonomic fit for your hand, making it ideal for hours of productivity across any surface.

Compatible Across Systems

With universal compatibility, seamlessly transition between all major operating systems, including macOS and Windows, ensuring a smooth experience no matter which device you use.

Precision Tailored to You

Customise sensitivity for any task, with adjustable DPI settings. Whether you need precision for detailed design work, responsiveness for gaming, or smooth navigation for everyday tasks, the HyperSpace Mouse ensures you have the control you need.

Antimicrobial Protection

DefenseGuard Antimicrobial Protection keeps the surface cleaner and works continuously to protect the mouse by preventing microorganism growth.

Recycled Materials

Make a sustainable choice without sacrificing performance. The HyperSpace® Mouse is built with 85% recycled plastics, offering an eco-conscious option for your modern workspace.
